

IMPORTANT: DS-11 is required (not DS-82) because passport No. 673827855 was issued when the applicant was age 5 (under 16). DS-82 requires the passport to have been issued at age 16 or older — a hard U.S. State Dept. rule. Fields pre-filled from passport scan are shown in blue. Blank fields must be completed by the applicant before submission.
